Dear Mr Smith,

Please find enclosed a receipt for your donations to the IHC Smile Club for the year ending 31 March 2011.

Your support this year has made a real difference to the lives of New Zealanders with intellectual disabilities.

Cantabrians were able to experience this first hand in our 'Take a Moment with Us' multimedia exhibition – fully funded by donations. In 'Take a Moment' people with intellectual disabilities shared their stories, their struggles and their triumphs with other Kiwis.

The exhibition was held over summer at the Christchurch Museum – until the earthquake stopped the show – and everyone else – in their tracks.

Thanks to you, we can help people with intellectual disabilities make connections with others in their communities – and to live the kinds of lives we take for granted.

Thanks to you, we can face the task of repairing and rebuilding homes and lives that were damaged in the earthquake.

Without you, we couldn't do it.

Yours sincerely

31 March 2010

Dear Mr Smith

Thank you for supporting IHC through our Smile Club. I have attached a receipt for your gifts made during the tax year ended 31 March 2010.

As a Smile Club member you are part of a vitally important group of friends of IHC. You are giving IHC a source of income we can count on from month to month. With your support we look ahead with greater confidence to what we can do in your community to meet the needs of people with an intellectual disability.

I have enclosed our latest newsletter. In it a mother talks about her disabled daughter and the support she receives from IHC, a volunteer discusses her friendship with one of our service users, and there's story of Kyren who, although having severe disabilities and being blind, enjoyed a fishing trip with Matt from the NZ Fishing Show.

Your assistance is helping make these things possible in the lives of people with intellectual disability in your community. On their behalf I thank you.

Yours sincerely
