Dear Craig,

On behalf of the Raukatauri Music Therapy Centre, I would like to acknowledge your recent donation of \$500.00.

As you know, the Centre is hugely reliant on fundraising to keep running, and we are very grateful for this support.

Each week more than 100 children and young people receive music therapy from one of our Registered Music Therapists, either at the Centre in Grey Lynn or in one of our Outreach programmes.

It is a privilege to be able to work with so many special children, and hugely rewarding to be able to make such a difference in their lives. And the number of children we work with continues to increase as the reputation of the Centre grows.

Through the work that we do, this donation has a direct impact on these children and young people, and their families, and on behalf of them I would like to sincerely thank you for your support. It is lifechanging work that we do and we could not do it without you.

Very best regards,

Anne Bailey
Director

P.S. Please accept this letter as your receipt.
